WRITING

Charity is the opportunity to help people which are caught by problems. It starts from sick people ending disabled.

There are a lot of charity organisations which are common, but the most unusual way to raise money for charity is e-sport tournament with major prize pool which will sent to charity organisation. Just imagine ^{that} people fight in computer game for prize will sent for charity.

Have you ever raise money for charity? I am! Of course it wasn't a big sum but also important. Mainly, it is donation for healing the kids which are seriously sick. Worryingly, a lot of people don't understand the importance of charity and ignore it.

In conclusion, would I be keen to help again next year? I'm confident, yes! because it is great and easy ^{ability} chance to help for humanity.
