## WRITING

A charity event to remember.

There are a lot of poor, homeless, helpless people in our country and around the world. Do you know that there are about 20 million people in Russia living below the poverty line? If the answer is "yes", you should start doing something about it.

To start with, ~~there~~ the most unusual way to raise money for charity is to create a product, that everyone likes and to start giving some of money to charity. Even ones who doesn't want to give their money to poor people will do it!

As for teenagers like me, it ~~would be~~<sup>is</sup> surprisingly easy to help people in need. We can sell sweets in our school and give this money to our school Charity Organisation.

So, <sup>I would</sup> would I be keen to help again next year? Of course, because it is absolutely great to realise that you are helping people.
